TOWN WARRANT

COMMONWEALTH OF MASSACHUSETTS

MIDDLESEX, SS.

To any Constable of the Town of Weston,

GREETING:

In the name of the Commonwealth you are hereby required to notify and warn all of the inhabitants of the said town, qualified by law to vote in elections and town affairs, to meet in the Town Hall, in said town, on Monday, the 29th day of March, 1937, at 12 o'clock noon to act on Article 1 of this warrant; and to meet in said Town Hall on the same date at 8 o'clock P. M. then and there to act upon the remaining article of this warrant.

The polls for the election of the town officers will be opened at 12 o'clock noon and may be closed at 7.45 P. M.

ARTICLE 1. To bring in their votes for the following town officers, each to be designated and all to be voted for on one ballot, namely:—

A moderator for a term of one year,
 One selectman for a term of three years,
 One member of the board of public welfare for a term of three years,
 One assessor for a term of three years,
 One member of the school committee for a term of three years,
 A treasurer and collector for one year,
 An auditor for a term of one year,
 One library trustee for a term of three years,
 One library trustee for a term of two years (to fill vacancy),

A library treasurer for a term of one year,
 One trustee of the Merriam Fund for the Silent Poor for a
 term of three years,
 One park commissioner for a term of three years,
 One cemetery commissioner for a term of three years,
 One member of the board of health for a term of three
 years,
 Three measurers of lumber for one year,
 One member of the board of commissioners of trust funds
 for a term of three years,
 One member of the board of water commissioners for a
 term of three years,
 Five members of the planning board,
 A tree warden.

ARTICLE 2. To hear and act upon reports of town officers and committees.

ARTICLE 3. To determine whether the town will vote to transfer from the overlay reserve fund to the reserve fund of the town the sum of \$3,000.00 or such other sum as the town may deem proper in the premises.

ARTICLE 4. To determine whether the town will vote to authorize the selectmen to settle in full claims against the town by reason of land taken under Article 4 of the warrant for the annual Town Meeting held March 30, 1936.

ARTICLE 5. To determine whether the town will authorize the selectmen to acquire by purchase, gift, eminent domain or otherwise additional real estate adjoining the school property.

ARTICLE 6. To determine whether the town will vote to increase the compensation of the town auditor and the chairman of the board of public welfare or to act anything relative thereto.

ARTICLE 7. To determine whether the town will change the name of River Street to River Road and the name of

Loring Street to Loring Road and to change to Westland Road that portion of Silver Hill Road which starts at 200 Merriam Street and adjoins Westland Road.

ARTICLE 8. To determine whether the town will vote to extend the system of water supply by laying a main or mains in public highways and ways approved by the Board of Survey including Conant Road northerly from North Avenue approximately 400 feet; Lexington Street, northerly approximately 300 feet; Aberdeen Road from the end of the existing main westerly approximately 1100 feet; and in Lantern Lane and Coach Road approximately 1400 feet; and to appropriate a sum of money not exceeding \$12,000.00 for said purposes; and to determine how said money shall be raised, by borrowing or otherwise, and to authorize the issuing of bonds or notes therefor, and to act in any way relative thereto.

ARTICLE 9. To consider the report of the Planning Board and to determine whether the Town, in accordance with the recommendations of said Board, will vote to amend Article VIII of the By-Laws of the Town by amending Section 1 to read as follows:

“Section 1. *Establishment of Districts.* For the purposes of this by-law, the Town of Weston is hereby divided into six classes of districts to be known as:—

1. Single residence districts, Class A,
2. Single residence districts, Class B,
3. Single residence districts, Class C,
4. General residence districts,
5. Business districts,
6. Industrial districts,

as shown on the map which accompanies this by-law, entitled: ‘Zoning Map of the Town of Weston, Massachusetts, as amended 1937,’ filed in the office of the Town Clerk, which map, together with

all the boundary lines and designations thereon, is hereby declared to be a part of this by-law.”;

further to determine whether the Town will vote to amend Article VIII of the By-Laws by amending Section 8 to read as follows:

“Sect. 8. *Setback Distance: All Districts.* No building or structure shall be constructed, altered, enlarged, reconstructed, or moved so that any part, except uncovered steps, is less than fifty-five feet distant from the center line of any street or private way used in common by two or more owners; provided that the Selectmen, under the provisions of Section 18, may give permission for a lesser distance to be used in specific cases where restricted lot dimensions, unfavorable topography of the ground, or other conditions, would make it impossible, difficult, or unreasonably expensive to adhere to the distance required by this section.”;

further to determine whether the Town will vote to amend Article VIII of the By-Laws by amending Section 9 to read as follows:

“Sect. 9. *Definition, Minimum Area and Frontage of Lot.* A lot is the whole area of a single parcel of land under one undivided ownership, whether the tenure be several, joint, common or by the entirety. When such a parcel is divided on a plan filed at the Registry of Deeds, the term ‘lot’ shall mean a lot as shown on such plan, irrespective of ownership.

Every lot hereafter laid out in the general residence districts shall contain not less than ten thousand square feet.

Every lot in single residence districts shall contain not less than the area and shall have a frontage on a street or private way used in common by two or more owners or a width at the minimum

street setback distance of not less than the amounts herein specified as follows:

Class of District	Minimum Area square feet	Minimum Street Frontage or width at street setback distance feet
Single residence districts, Class A	20,000	100
Single residence districts, Class B	30,000	125
Single residence districts, Class C	40,000	125";

further to determine whether the Town will vote to amend Article VIII of the By-Laws of the Town by repealing Section 9 (a) adopted at the meeting March 26, 1934; further to determine whether the Town will vote to amend Article VIII of the By-Laws by amending Section 10 to read as follows:

"Sect. 10. *Single Residence Districts.* A. In the single residence districts, no building or structure, or buildings or structures on any one lot, including garages, stables, and all accessory buildings or structures, shall be constructed, altered, enlarged, or reconstructed so as to occupy at the level of the first floor more than forty per cent of the area of the lot, nor, at the level of the second floor, more than twenty-five per cent of the area of the lot.

B. In the single residence districts no building or structure shall be constructed, altered, enlarged or moved so that any part, except uncovered steps, is less than the distance from the line of every adjoining lot or is less than the distance from the street line of any street or private way used in

common by two or more owners herein specified as follows:

Class of District	Distance from lot line	Distance from street line
Single residence districts, Class A	15 feet	30 feet
Single residence districts, Class B	20 feet	35 feet
Single residence districts, Class C	25 feet	40 feet”;

further to determine whether the Town will vote to amend Article VIII of the By-Laws by amending Section 11 B by inserting after the words “private way” the words “used in common by two or more owners”; further to determine whether the Town will vote to amend Article VIII of the By-Laws by amending Section 12 B by inserting after the words “private way” the words “used in common by two or more owners”; and further to determine what, if any, further or other amendments shall be made in said Article VIII of the By-Laws.

ARTICLE 10. To raise and appropriate by borrowing or otherwise, such sums of money as may be necessary for all or any of the purposes mentioned in the foregoing articles, or as may be required to defray the expenses of the town for the ensuing year; and especially to act upon all the appropriations asked for or proposed by the selectmen or by the town officers or committees in their reports; and to authorize the town treasurer, with the approval of the selectmen, to borrow money from time to time in anticipation of the revenue of the financial year beginning January 1, 1937, and to issue a note or notes therefor, payable within one year, and to renew any note or notes as may be given for a period of less than one year in accordance with Section 17, Chapter 44 of the General Laws.

And you are to serve this warrant by posting three attested copies thereof, according to the vote of the town,

namely, at the Town House, at the Kendal Green post office, and on the town bulletin-board at the junction of South Avenue and Park Road and Newton Street seven days at least before the time appointed for said meeting.

Hereof fail not; and make due return of this warrant with your doings thereon to the selectmen at the time and place of said meeting.

Given under our hands this fifth day of March in the year of our Lord one thousand nine hundred and thirty-seven.

HERBERT E. TYLER,

B. LORING YOUNG,

BRENTON H. DICKSON, JR.,

Selectmen of the Town of Weston.

Town Clerk.

REPORT OF THE SELECTMEN

The Selectmen submit the following report for the year ended December 31, 1936, and include herein the budget of appropriations recommended for the year 1937 as provided by Section 5 of Article II of the By-Laws.

At the annual town meeting held March 30, 1936, Herbert E. Tyler was re-elected as a member of the Board for a term of three years. The Board organized immediately after the annual town meeting by the election of Mr. Tyler as Chairman and Mr. Young as Secretary.

During the year 1936 the Board held twenty-three meetings. Members of the Board have also from time to time conferred with other town officers and have attended hearings at the offices of the County Commissioners of Middlesex County and at the State House in Boston.

The list of officers and committees elected or appointed during the year and also a list of licenses and permits granted by the board are set forth in detail in the Town Records printed hereinafter in this volume.

Town Finances

The Selectmen have conferred with the members of the Finance Committee with regard to the appropriations recommended for the fiscal year 1937 and understand that the recommendations so made meet with the unanimous approval of the members of the Finance Committee. The total appropriations recommended amount to \$243,845, all of this sum to be raised from general revenue and to be reflected in the tax rate. The sum of \$10,000 appropriated for water extensions was met by an issue of notes and the sum of \$18,000 appropriated for new school rooms in the high school was met by a loan of \$12,000, the balance of \$6,000 not being used. The total figure for the appropriations in 1936 of \$269,252.03 is therefore misleading and the voters should realize that the actual figure reflected in

the tax rate was but \$241,252.03. In other words the recommendations for 1937 will require from taxes \$2,593 more than was the case last year or approximately twenty-six cents on the tax rate.

At the annual town meeting in March 1933 all appropriations were reduced by 10% which resulted in a reduction of salaries and wages of town officers and employees by approximately that percentage. At the annual town meeting in March 1935 the pay reductions were restored on a basis of $66\frac{2}{3}\%$ as of April 1 of that year. The Selectmen and the members of the Finance Committee are of opinion that the remaining $33\frac{1}{3}\%$ should be restored as of April 1, 1937, and the table of appropriations has been made up on that basis. The Town Treasurer and Collector reports that the amount of uncollected taxes will probably be substantially less this year than was the case in 1936 and the Selectmen are of opinion that if the budget recommendations are followed by the town the tax rate will remain at substantially the same figure.

The Zoning By-Law

The Selectmen call special attention to the report of the Planning Board and the recommendations for amendment of the zoning by-law. When zoning was first established by the town in 1928 the minimum lot area in the single residence and general residence districts was fixed at 10,000 square feet. This was increased in 1934 as to the single residence district to 15,000 square feet. The Selectmen are strongly of opinion that this minimum area should be further increased and the zoning law strengthened in other respects. If substantial land holdings in Weston are purchased by speculative builders for development purposes the whole character of Weston as a rural community will be changed and the town will become merely another crowded residential suburb. This would entail tremendous expense for additional water supply and for sewage dis-

posal. The Selectmen strongly urge the voters to give careful consideration to this entire problem and to take such action as may be necessary to safeguard the welfare of the town.

HERBERT E. TYLER,

B. LORING YOUNG,

BRENTON H. DICKSON, JR.,

Selectmen of the Town of Weston.

REPORT TO SELECTMEN ON W. P. A.

W. P. A. has continued through 1936 giving work to those in need and giving the Town the completion of worth while projects.

There was an average of twenty-five men employed during the year, representing about sixty-three persons. To these men the Government paid a total of \$22,234.46. The Town has spent \$5,354.01 for materials, equipment and supervision.

Work was continued on the tree trimming project, removing dead branches from the trees along the highways.

The School Playground project was completed which included digging drainage ditches and clearing the land.

The inside of the Town Hall was painted with the exception of two rooms down stairs and the back stairways. A supplementary project has been approved to finish the work inside and to paint the outside of the building.

A six inch water pipe was laid in Linwood Avenue for a distance of 1200 feet. This will increase the water supply in Linwood Cemetery and a hydrant was placed at the end of the line for protection against brush fires.

The Merriam Street drain was completed. This consisted of three catch basins and 625 feet of ten inch concrete pipe to take care of the water at the corner of Sunset Road and Merriam Street.

A project was completed to drain the swamp land between Newton Street and Meadowbrook Road to rid that section and the surrounding area of mosquitos. About thirty-five acres were drained.

A drain was laid in North Avenue to lower the water which, in the spring, floods the cellars on the northeasterly corner of the junction of North Avenue and Conant Road. One catch basin and 300 feet of fifteen inch pipe were put in but to complete the work a new culvert will have to be laid under North Avenue at a lower level.

A project for the extermination of the Gypsy Moth was started in November. The work consists of painting the egg clusters and thinning the under brush in infested areas.

The Survey project was started in January and continued throughout the year. The work which has been completed has consisted of $48\frac{1}{2}$ miles of baseline traverse connecting all of the town corner stones and the establishment of 152 permanent control stations—also 38 miles of levels have been run in the setting of 161 permanent bench marks.

This Control survey will provide the frame work for a complete survey of the Town which may be undertaken in the future. It would be advantageous to continue this work year by year in order that a complete and accurate survey may be eventually acquired.

This undertaking has provided employment to a considerable number of residents of the Town who have worked diligently in producing the valuable aforementioned results.

Projects in operation now are:

Moth extermination.

Survey of Town.

Employing 22 men.

The year was exceedingly quiet as far as crime in Weston was concerned. One store was held up by three men who had staged a series of similar holdups in surrounding towns and cities. They were later captured by the Waltham Police and are now serving long terms in State Prison. There was one assault case, committed by four men who are now awaiting sentence in Superior Court. At this point we wish to warn citizens against patronizing salesmen and solicitors about whose credentials there is any doubt. Whenever there is the slightest question, it is well to call the Police, and all are asked especially to report any person whose appearance or action is suspicious. To investigate such people is one of the functions of the Police, and a word of warning may save some other person's property, and some time even his life.

The Police now have an emergency stretcher equipment in the new Police cruiser; it is hoped that among other things this will mean a great saving of time in taking care of the injured at accidents.

We wish to bring to the attention of the townspeople something that was mentioned in our report last year, namely, the effect upon this Department of the development of the Town and the resulting growth in population. We have a constantly increasing number of calls for infor-

mation and for protection. At present there are only four men on regular duty; this gives little chance to keep a man full time at the Police Station, nor does it allow for any extensive patrolling late at night. Naturally there have been many requests for greater police protection in some sections, and the time is not far distant when the present force will not be adequate for the needs of the Town. In fact, it may be that many citizens feel that now is the proper time to increase the force; if so, we believe that some expression in the matter should be made in the Town Meeting, as of course any addition will mean an increase in the annual appropriation.

Under the present condition, I recommend an appropriation of \$11,000.00 for the ensuing year.

Respectfully submitted,

J. SUMNER VILES,
Chief of Police.

REPORT OF THE SUPERINTENDENT OF STREETS

TO THE BOARD OF SELECTMEN:

Dear Sirs:

I herewith respectfully submit my first annual report as Superintendent of Streets for the year 1936. I wish to publicly express my appreciation to the Board of Selectmen for my appointment and I promise the citizens of the Town of Weston an honest, efficient and economical administration of the affairs of the highway department.

It must be borne in mind, however, that results obtained depend not on willingness or ability alone but rather upon adequate funds with which to purchase road building materials.

During the past year the sum of \$33,598.97 has been spent for highway maintenance and sundry purposes. The principal items as listed under the auditor's report are as follows:

Salaries and wages	\$16,378.31
Broken stone, sand, gravel, etc.	3,845.28
Tarvia and road oil	3,006.75
Gasoline and oil	1,285.65
Pipe, lumber, cement, etc.	1,270.32
Fuel and electric power	330.64
Small equipment and repairs	1,433.28
Snow and ice	4,618.26
All other	1,430.48

Again this year the total expenditures exceed the appropriation by \$598.97 or about one and eight-tenths percent of the total appropriation for maintenance. It is not pleasant for any official to have to admit his inability to keep within his budget but under the present set-up of appropriations and the need of extending relief through the me-

dium of work on various departments and especially the highway department, there does not seem to be any way in which it can be avoided.

Every effort has been made during the past year to maintain the surface on our roads but it has required constant attention to keep the holes filled at all times. This is plainly evident when it is known that we have used three hundred forty tons of patching this year, an increase over last year of one hundred thirty tons.

This breaking up of the surface is due almost entirely to poor foundation conditions and lack of bituminous materials for surface treatment. No permanent results can ever be obtained until our roads are excavated and the material removed replaced by good quality material. Proper drainage systems that carry off surface water and keep the base dry are also very necessary to insure success.

I do not believe that the Town of Weston could or should embark on any broad program of road excavation by itself, but rather work on the chapter 90 basis as explained further on in this report.

By the excavation of certain sections of our streets that break up each spring and by the use of more tar or asphalt and a larger aggregate as cover material for surfacing purposes we can greatly increase the bearing strength of the top surface. This will give us a secondary type road which will be entirely satisfactory for ordinary use. The above results are being accomplished in several different ways. The pre-mix method which has become so popular in many places is, however, quite expensive and I would not recommend its use wherever foundation conditions were questionable.

The mixed in place proposition which is also fairly expensive does not differ widely from the method which we have used the past two seasons with such good results except in respect to the size and quantity of materials used. I am convinced that our own re-treading method will in a few years give us some pretty decent roads and will also give the taxpayers a more equitable distribution of the

money spent for highway purposes than would be possible in any other way.

I am hopeful therefore that my recommendation for more money for bituminous materials will be acceptable to the taxpayers of the town and I am asking that it be set aside in a special item under "Highways and Bridges" in order that it may be available at the season of the year when the best results can be obtained as is not the case under the present system.

Church Street has been resurfaced its entire length this year, some of the dangerous crowns taken out and the corner near the Pushee estate raised. At the present time the street is in a very fair condition and much safer than it was. Were sufficient funds available it would be advisable to give this street a very light seal coat next year.

Lexington Street was also resurfaced its entire length but the work had to be done so late in the season that the best results were not obtained. However, the street as a whole has been improved considerably over what it was before this work was done.

Two of the worst sections of Wellesley Street beyond South Avenue have been resurfaced but these places were so rough that it was not possible to make the surface smooth with one application of tar and pea stone. Wellesley Street is becoming more and more an artery between the Boston Post Road and the Worcester turnpike and should be the first street rebuilt under chapter 90 when the town feels that it can assume its share of the expense.

Brown Street from Wellesley Street to Winter Street was graveled and treated with tar and sand.

Winter Street from Brown Street to Highland Street received a coat of tar and sand.

About four hundred feet of School Street starting at Maple Road and going in a southerly direction was surfaced to make it as skid proof as possible. Two bad accidents and several minor ones happened on this hill during the year and though the road was in pretty fair condition, it seemed the best policy for all concerned to eliminate this hazard.

Beginning near the corner of Concord Road and Merriam Street a short strip of bituminous macadam about three hundred and seventy five feet in length was constructed to eliminate one very bad place in Merriam Street. All the crushed stone used on this little job, about three hundred and sixty tons in all, was produced at odd times at our own crusher, by highway labor from waste rock so that the only cash outlay was for asphalt and electric power.

It is my intention, providing money is available for the purchase of the necessary asphalt, to use in this manner all the stone which we can produce ourselves at times when other work is slack. In connection with the foregoing statement it might be interesting to the citizens to know that about seven hundred tons of crushed stone of various sizes was produced and used by the department during the year 1935 and that we also have at the present date, January 20, 1937, about six hundred tons stored for future use and we are crushing at the present time.

A considerable amount of work was done on Hill Top Road this year. About one hundred fifty feet was excavated to a depth of two feet and refilled with course gravel and about six hundred feet was scarified, graded and rolled. When this was done the job was given a coat of tar and gravel pea stone. We planned to give this section another surface treatment later in the season but there was not sufficient money left in the appropriation so that it was possible to do so.

The Summer Street job started several years ago under E. R. A was completed by the highway department. This was the biggest job of the year requiring almost three months to complete. In addition to this construction the whole length of Summer Street was resurfaced and the hill near Loring Street scarified, drained, rolled and resurfaced at the same time as the rest of the road. This street in certain sections should have a very light seal coat next year.

The flood conditions of last spring damaged some of our old stone culverts so badly it was necessary to put in new ones. The culvert on Concord Road at the foot of the College hill

was rebuilt with concrete and has a capacity about two and one half times greater than the old one. At first it was thought that a four foot reinforced concrete pipe would serve our interests best but when the cost of the pipe was found to be \$6.25 per foot for the forty feet necessary the expense did not seem to be justifiable.

The present culvert was installed with a material cost of less than one hundred dollars, thereby saving the town at least one hundred and fifty dollars as compared to pipe.

A culvert on Highland Street near Pelham Road was taken up and replaced with a large size pipe.

A new culvert was installed on Cliff Road near the Wellesley line to stop the flow of water across the street as has happened each spring for many years.

On Chiltern Road the old culvert was replaced by a twenty one inch pipe and connected to the Hubbard drainage system.

Late in December the dangerous condition existing at the junction of Meadowbrook Road and Loring Street was eliminated by the installation of a catch basin and one hundred and fifty feet of drain pipe.

Catch basins were installed during the year in the following places, one at the corner of Bogle Street and Wellesley Street, one on Cliff Road in conjunction with the new culvert, five on Summer Street on the new construction and one near the northerly end of the same street, one on Loring Street already mentioned and two on Chiltern Road, as an integral part of the new culvert at this point.

Pipe installed in connection with the above basins consisted of two hundred and fifty two feet of eight inch, one hundred thirty eight feet of fifteen inch and forty four feet of twenty one inch pipe.

Through the generosity of Mr. Edward R. Peirce of Cliff Road the very bad corner located between his driveway and the Wellesley line was widened and the grade on the hill lowered considerably.

The excavation and construction work was let out to contract and D. M. Bernardi and Sons Company were awarded

the contract as the lowest bidders. When the construction work was completed the final surfacing of the road was done by the highway department. One of the worse and most dangerous corners in the town has now been made comparatively safe for travel and the citizens of Weston should feel very grateful to Mr. Peirce for his offer to pay the whole cost of construction.

The Chapter 464 drainage project on Highland Street briefly mentioned in last year's report was completed the early part of this year under the supervision of the highway department. The system as installed has materially aided the drainage of this area. Pipe laid on this project consisted of 125 feet of 8-inch, 120 feet of 10-inch and 270 feet of 15-inch. Two basins were reconstructed and one new catch basin and two manholes were added to complete the system. When this project had been completed it was found that there was a considerable amount of money left and so it was decided to make a start on the drainage system on Conant Road which will eventually, when completed, take care of the serious flood condition that exists on Sunset Road and can also when extended take care of water in the Patridge Hill Road area when the development on Conant Road reaches the point where present drainage is interfered with.

As stated above work was started and about three hundred and fifteen feet of 15-inch pipe and one manhole was installed before the funds were exhausted. It will probably require about \$2,000 to complete this project for the Sunset Road section providing no more ledge than what is exposed at the present time is encountered. I believe that this work should be completed as soon as possible so that Sunset Road will not have to be closed to safeguard the public as it was last spring.

In 1932 upon the completion of South Avenue the town discontinued the practice of construction under chapter 90. This law which allots to a town or city for road construction purposes two dollars for every one which is contributed by it, I personally believe should never have been to-

tally abandoned by the Town of Weston. We are all paying through the excise, gasoline and state tax our fair share of this money and are entitled to our proportionate share in return. If we do not claim our part some other city or town receives the benefit. By the above statement I do not wish to create the impression that I think we should try to appropriate any large sums of money but I do believe that no year should pass by without our having constructed some permanent road in addition to maintaining our present streets.

In connection with the above and with the consent of the Selectmen I have asked the state department of Public Works for an allotment of \$4,000 from the County and State for the permanent construction of that portion of South Avenue known as the swamp. Upon taking the matter up with Mr. Sabin the district engineer I find that he is of the opinion that final settlement has not taken place and he does not recommend permanent construction but rather believes that a flexible top surface should be applied. If this is done it will only require a portion of the original amount asked for and I believe an appropriation of \$1,000 by the Town would be ample to do this work and possibly widen the shoulders in several places on South Avenue where it is needed badly.

I have also with the approval of the Selectmen asked for an allotment of \$2,500 for Chapter 90 maintenance. This work is carried on in the same manner and expense is apportioned the same as in Chapter 90 construction. Our share will be \$833.33. The Town of Weston has never asked or received any money under this chapter before but having in mind the very poor condition of North Avenue in many places and the possibility of repairing this road at a small expense to the town and in such a manner that it will last for quite a number of years I was prompted to make the above request and I hope it will be approved by the taxpayers.

Sidewalks

During 1936 about one thousand feet of sidewalk on

North Avenue near Lincoln Street was widened, raised and surfaced with Type E sidewalk mix. Also the gravel sidewalk on Merriam Street, beginning at Silver Hill bridge was raised and extended to North Avenue. I am planning to surface this section the coming year and to continue down North Avenue, where the sidewalk now is in very poor condition, as far as the appropriation will go.

Snow and Ice

The sum of \$4,618.26 was spent for the removal of snow and ice. I am hopeful that snow removal costs will be lower this winter as the mild weather in January would seem to indicate.

Equipment

The New Buffalo-Springfield roller which we had leased last year was purchased on the conditions set forth in the annual report of the Superintendent of Streets for 1935. It is a splendid piece of equipment made by an old reliable firm and with proper care should give the town many years of valuable service.

Other equipment purchased included a snow plow for the new Ford V8 and a sand spreader which can be attached to any truck. Hydraulic lifts were installed and alterations were made on our snow removal equipment by our own men, thereby saving considerable extra expense.

This year I am recommending the purchase of a portable compressor and necessary tools as a measure of economy. As most everybody knows Weston is a rocky place and there is hardly any job of any size that does not require the use of a compressor.

I would also like to purchase another sand spreader giving us one unit for each truck.

Recommendations

For the coming year I am making the following recom-

mendations and I am including the Sunset Road project within the general maintenance appropriation.

	Recommendation, 1936	Appropriation, 1936	Expended 1936	Recommendation, 1937
General Maintenance .	\$35,000.00	\$33,000.00	\$33,598.97	\$31,500.00

Chapter 90 Maintenance				833.33
Totals	\$42,000.00	\$39,500.00	\$39,981.44	\$44,333.33

I wish to express my appreciation to the employees of the Highway Department who for the most part have been loyal and helpful in carrying on the work.

Respectfully submitted,

GILBERT M. UPHAM,
Superintendent of Streets.

REPORT OF THE SUPERINTENDENT OF MOTH WORK

To the Selectmen:

From 1921 until the past summer of 1936 the trees of Weston have been very free from attacks from the Gypsy moth. Scouting and creosoting of the egg clusters has been carried on each year and that work assisted by parasites and other enemies has secured good control. During the feeding season of 1936 however, serious feeding appeared in the wooded area south of South Avenue and between Oak and Wellesley Streets. At the present time a Federal WPA project is at work creosoting in this area but in spite of the most careful work, past experience has shown this work should be followed up by spraying the trees on roadsides where many egg clusters are found.

I feel it necessary to ask for at least \$1500 for the coming season. Fortunately no brown tail nests have been found for many years.

Respectfully submitted,

EDWARD P. RIPLEY.

REPORT OF THE TREE WARDEN

Spraying of the elm trees to control the elm tree beetle was continued this year at a total cost of \$325. Nine hundred sixty eight elms were sprayed in all and excellent control was obtained on all those trees cared for. There is still a considerable area of the town which cannot be taken care of for lack of funds and in this area are a number of the town's finest elms. It is significant to note that by far the greatest number of dead and dying elm trees are located in this area.

The balance of the appropriation was spent for the removal of dead trees and limbs which constituted a menace to the traveling public.

While the importance of spraying is apparent, an equally important phase of tree work should not be overlooked. Some work was done last year under a W P A project but there is a great deal more which should be done as soon as possible.

Today, aside from dangers resulting from natural causes such as lightning, wind, ice storms, frost, drought and winter killing, man is responsible for many of the conditions which affect the health and life of trees along our highways.

Moisture and nourishment are kept from our trees by hardened soil and pavements and tar surfaced sidewalks. Poisoning is common from gas mains, excess sewerage water and fuel oil spilled from oil trucks. Tree trunks are scarred and torn by automobiles and trucks, while root systems are cut and sometimes wholly destroyed by public utility corporations while installing their services. Add to these the ravages of commonly known insects such as gypsy and brown tail moths, the Japanese beetle, the European leaf miner, the chestnut blight, the willow scab fungus and the elm leaf beetle and it is easy to see that our shade trees need what ever help that we can give them in order that

they in turn can give us the beauty and comfort that we all enjoy.

With our present appropriation of \$500 we can accomplish very little towards keeping our trees in proper condition and until there is concerted action on this matter by our citizens these badly damaged trees must remain a liability to the natural beauty of Weston.

The historic Burgoyne Elm located near the entrance to Linwood Cemetery is in very poor condition and should be attended to immediately. With proper care this tree will last for many years but if it is neglected as it has been in the past it will not be many years before it will have to be removed to safeguard the public. I am therefore asking for \$200 extra to do this work.

This will be sufficient to properly cable the large limbs together, prune it carefully and do whatever cavity work is necessary.

Fifty seven Norway maples were set out on Summer Street along the new construction and these were paid for from the Horace Sear's fund for that purpose.

The most serious infestation of gypsy moths in many years is located in the south end of Weston and active measures must be taken this year to retard the spread of this pest.

For the coming year I recommend an appropriation of \$800.

Respectfully submitted,

GILBERT M. UPHAM,

Tree Warden.

The department installed five boxes the past year, two were replacements of old type boxes and three were in new locations.

The department should have a new ladder truck. We have in mind a new type equipped with a double banked aerial ladder which may be extended to sixty-five feet and can be operated by one man costing in the vicinity of \$10,-

000. The present equipment is inadequate and requires five or six men to operate, often causing serious delay.

In addition to an appropriation for a ladder truck we recommend an appropriation of \$13,000 for the department.

REPORT OF THE PARK COMMISSIONERS

The Park Commissioners submit the following report for the year 1936.

The expense of caring for the Common was paid from the H. S. Sears Town Common Fund. The income from this is slightly in excess of the normal expenditures so that the accumulated balance should be sufficient to pay for new equipment when necessary.

The Lamson lot west of the Town House will be an additional expense to the Park Department in the future, but, until we know how much the Town wishes to have done to it, there is no way of estimating the cost. We therefore recommend an appropriation of only \$100.

REPORT OF THE SCHOOL COMMITTEE

Weston, Feb. 1, 1937.

The School Committee respectfully submits the following report for the school year ending December 31, 1936.

At the annual Town Meeting, held on March 30, 1936, Mr. David A. Perry was elected for a term of three years.

The Committee organized at its regular meeting, held on April 15, 1936, by electing Mr. Raymond W. Coburn as Chairman, and Mr. David A. Perry as Secretary.

Twelve regular meetings and three special meetings were held during the year.

At the regular meeting held on May 12, 1936, the following appointments were made:—

Mr. Carl T. Rhoades, Superintendent of Schools and Principal of the High School.

Mr. Allan Cameron, Custodian of Buildings and Grounds.

Mr. Charles L. E. Bolton, Asst. Custodian of Buildings and Grounds.

Also at the regular meeting held on May 12th, the following teachers were appointed:

Miss Constance E. Burrage	Mrs. Mabel R. Kidder
Miss Helen B. Green	Mrs. Dorothy B. Frye
Miss Emma F. Ripley	Mrs. Virginia Morrissey
Mrs. Elizabeth R. Wheeler	Mrs. Hilda F. Applin
Miss Mildred C. Phillips	Miss Ella Brotchie
Miss Emily F. Adams	Miss Mildred L. Marble
Miss Hazel M. Staples	Mrs. Vida C. Strahan
Miss Elizabeth P. Cobb	Miss Lucy Dodson
Mrs. Helen G. Hill	Mrs. Sylvia Hawthorne
Mrs. Georgiana Eldred	Miss Mary Allen

In addition to the above, the following special teachers were appointed:—

Mr. Wallace W. Sawyer, Submaster of the High School.

Mr. Crosby E. Redman, Instructor of English.

Mr. Phillip E. Perry, Manual Training.

Mr. William H. Taunton, Music.

Mr. John S. Proctor, Coach and Director of Physical Education.

Miss Marjorie D. Morse, Jr., Teacher of Physical Education.

Mrs. Gudrun G. Payne, Teacher of Art.

Also at this meeting, the following appointments were made:

Dr. Fresenius Van Nuys, School Physician.

Dr. Faith L. Meserve, Ass't. School Physician.

At a special meeting held on June 15th, 1936, Miss Helen A. Higgins was appointed as teacher of commercial subjects.

At the regular meeting held on August 3, 1936, Miss Eugenia Horton was appointed as Assistant Kindergarten Teacher.

At a special meeting held on September 12, 1936, the resignation of Mr. Crosby E. Redman, Instructor of English, was presented and accepted, and Mr. Howard P. Whitney was appointed to fill the vacancy.

At the meeting held on October 8, 1936, Miss Virginia Robinson was appointed as School Nurse. Also at this meeting, arrangements were made to have Miss Robinson take the School Census, as of October 1, 1936, which is submitted herewith:

SCHOOL CENSUS, OCTOBER 1, 1936

	Ages 3-5		Ages 5-7		Ages 7-14		Ages 14-16		Ages 16+	
	Boys	Girls	Boys	Girls	Boys	Girls	Boys	Girls	Boys	Girls

Not in school	36	24	3	-	1	2	1	1		
Totals	58	47	70	58	216	210	64	46	27	32

At the meeting held on November 5, 1936, Miss Bertha McKinney was appointed as an assistant teacher. Also at

this meeting the resignation of Mrs. Mabel Kidder was received and accepted, and Miss Lena Carter was appointed to fill the vacancy.

For the school year ending June 30, 1936, the average daily attendance was 525. The schools were in session 180 days.

The Committee has continued its policy of applying the income from the Horace S. Sears Fund, for the benefit of the teachers, against the rental of the "Teachers Lodge," and extends its thanks to Mr. Harry L. Bailey for continuing to make its use possible for this purpose.

The Weston Chapter of the American Red Cross and the Board of Health have continued to cooperate with the schools in connection with the services rendered by Miss Howe and Miss Robinson as School and District Nurses. The Committee appreciates this cooperation, and feels that the school derives much benefit from this arrangement.

New Class Rooms

The Committee, a year ago, in their annual report, recommended to the Town that action be taken at the Town Meeting to provide money to convert the unfinished space on the ground floor of the New High School Building, into three additional class rooms, suggesting that \$18,000.00 be appropriated for same. The Town Meeting very liberally provided \$21,000.00 for this purpose, and the Committee is happy to report that three very attractive rooms have now been finished and equipped, and \$6,000.00 of the above appropriation remains unexpended. One of these rooms is used by the English Department, and the other two by the Commercial Department, for Bookkeeping and Typewriting.

New Departments

During the past calendar year, two new departments have been started in the Weston Schools; one a kindergarten, and the other a Commercial Department. Both are very popular and well attended, the Kindergarten having

an enrollment of forty pupils, and the Commercial Department about twice that number.

Playgrounds

In accordance with the vote of the Town, at the March Town Meeting, about two acres of land have been acquired from Mr. Harry L. Bailey and Mr. Wilmot Whitney, and added to the playgrounds. With this additional land, the Town now has a school lot of about 20 acres, which apparently is sufficient to carry out the W. P. A. Playground Project shown in last year's report.

The Committee regrets that a start could not have been made in preparing an area for skating and ice hockey, but it was late in the year before the land was acquired, and by that time there was no W. P. A. labor available for the project. The money appropriated for the taking of land and the improvement of playgrounds was spent in part for the two acres of land mentioned above, and in part for laying out and grading a new baseball diamond, and a portion remains for the W. P. A. project mentioned above, which we hope to get started in the spring.

Work in the Schools

Details of the work that is being done in the schools will be found in the reports of the Superintendent of Schools and the Special Teachers which follow.

Respectfully submitted,

ALICE C. BAILEY,
DAVID A. PERRY,
RAYMOND W. COBURN,

School Committee of the Town of Weston.

SUPERINTENDENT'S REPORT

TO THE WESTON SCHOOL COMMITTEE:

This is my eighth annual report as Superintendent of the Weston schools. Reports from different departments and special teachers are appended.

NEW DEPARTMENTS

With the opening of schools last September the organization was changed by the establishment of a kindergarten and of a commercial department in the high school.

The kindergarten has an enrollment of forty children who seem very happy in both their work and play. They are acquiring good school habits and rapidly adjusting themselves to group activities. Parents of these children are enthusiastic in praise of the kindergarten and the manner in which it is being conducted.

Due to the kindergarten, the age of admission to the first grade was raised to 5 years 6 months. This has allowed the first grade to make much more rapid progress than formerly and will result in fewer promotion failures.

The inclusion of commercial work in our high school curriculum was welcomed by both parents and pupils. It is fulfilling a long felt need by allowing many pupils to take courses better fitted to their desires and abilities. It has not made available a lot of easier courses, for the work required is thorough and exacting.

SCHOOL GROWTH

Between 1929 and 1935 the average school membership increased from 440 to 578, or 31%. This growth was not very rapid but steady. However, for the school year ending last June, the average membership dropped to 559. The enrollment at present including the kindergarten is 623. Without the kindergarten but with the former age requirement for admission to the first grade, the enrollment would be approximately 600. A similar increase during the next two years would crowd our elementary school buildings to capacity. The completion last summer of the new rooms in the high school provides for normal growth of the high school over a considerable length of time.

COLLEGE ENTRANCE

It has been especially gratifying to have so many members of the class of 1936 continue their education either in college or in some special school above high school grade. There were sixteen who entered such schools and they are scattered from California and Texas to Maine. Those students who were thus able to continue their formal education are located in the following institutions:

Harvard, Boston University, Mount Holyoke, Simmons, Framingham Teachers College, Tennessee College for Women, Boston Conservatory of Music, Baylor University (Texas), Katherine Gibbs Secretarial

School, Westbrook Junior College, University of San Francisco, Harcum Junior College (Pa.), and Burdett Business College.

Three more are taking graduate courses here at Weston, and three others at preparatory schools. All of them are expecting to enter college next year.

SCHOLARSHIPS AND PRIZES

The trustees of the Charles J. Paine scholarship awarded a full scholarship to Eugene F. Poutasse, and a half scholarship to Walter E. Jenkins, Jr., both freshmen at Harvard.

The Horace S. Sears Scholarship was awarded in seven portions as follows:

EARLE MACLEOD at Massachusetts Institute of Technology.

RICHARD HENDERSON at Massachusetts Institute of Technology.

DOUGLAS HENDERSON at Boston University.

RICHARD SIBLEY at Baylor University.

ROBERT AKERS at Bates College.

CLARENCE MOSHER at Boston Conservatory of Music.

EDWARD HARDING at Northeastern University.

The Women's Community League scholarship was awarded to Frances Martin who entered the State Teachers College at Framingham.

Boston University awarded a \$100 scholarship to Theresa Benotti. Prizes from the Horace S. Sears Fund were awarded as follows:

1. For Essays on "New England Industries, Past, Present and future."

First prize, LOUISE MELLOR

Second prize, THERESA BENOTTI

Third prizes, ELINOR TRAVIS

BARBARA WHITNEY

ELLEN RHOADES

2. Prizes to seniors for Good School Citizenship:

Girl: THERESA BENOTTI

Boy: CLARENCE MOSHER

Prizes for best examinations on the United States Constitution were awarded by the Weston Post of the American Legion to Frances Martin and Roy Carlson.

The Washington and Franklin medal for excellence in study of United States history was awarded, by the Massachusetts Society of the Sons of the American Revolution to Barbara Whitney.

I am submitting with this report the statistics of the school census of last October, the attendance statistics for the school year 1935-1936, the programs of the School Play, the Operetta, and the Graduation Exercises of the Class of 1936.

Once more I wish to thank the School Committee, parents, and teachers for the co-operation and support received.

Sincerely yours,

CARL T. RHOADES.

REPORT OF THE MUSIC SUPERVISOR

TO THE SCHOOL COMMITTEE OF WESTON, MASS.:

Day by day, modern educators are attaching an ever increasing significance to the importance of music as one of the foremost agencies in character building, not only encouraging the spirit of cooperation, but helping to meet the demands of one of the most important problems in education today,—the worthy use of leisure time.

The interest displayed in music in all classes from the Kindergarten through High School has been most gratifying, all of the children enjoying singing or playing some instrument. Much of the time of the Kindergarten classes is devoted to singing and playing rhythm games. We have a Junior and Senior orchestra, both of which have progressed excellently.

Last year, the Senior orchestra played at the High School Play, the Light Opera, Graduation and the Girl Scouts' Play. Our Glee Club had a most interesting program for the year ending in the presentation of Gilbert and Sullivan's "All At Sea" which was very well done, especially when one considers the size of our school. It has always been my belief that the pupils of the Weston High School should have just as much opportunity to study music works such as this, as do pupils in the larger centers, even in the limited range of voices available. In addition to these activities, we had four classes in piano playing during the last year in which many of the pupils displayed great interest. Any pupil displaying interest or aptitude in the subject should be encouraged to study instrumental music in classes, if he so desires.

To my mind, there is one important subject missing in our music course,—that of Music Appreciation, which I believe every child should study upon entering the First Grade and continuing through High School. Although the allotment of time given to me at present is not sufficient to include this course, I hope arrangements may be made to incorporate this subject in our curriculum in the near future.

The interest and cheerful cooperation of the teaching staff and Superintendent of Schools is deeply appreciated by me.

Respectfully submitted,

WILLIAM H. TAUNTON,

Music Supervisor.

REPORT OF INSTRUCTOR OF MANUAL TRAINING

I know of no allied Mathematical subject which offers more of interest to the average (or to the advanced) pupil than mechanical drawing because of the graphic nature of the solution of its problems.

To many, mere figures mean very little, even when the final and

correct result is obtained, but the pictorial nature of this study shows immediately its correctness or incorrectness.

In the second and third years when actual draughting is taken up the interest is doubled and with the present classes is, as usual, well sustained.

In the High School manual training class the boys are working with a fine spirit of helpfulness on projects for the school, aside from their own personal pieces.

The grades are making very good average progress, with the usual few outstanding pupils who are eager and willing to make extra effort, with the usual result—a fine outstanding piece of work.

Many young men have made the course a starting point of a remunerative means of livelihood and some few have engaged in teaching the subject and are making good.

Like any other line of effort we get out of it in proportion to what we invest.

PHILIP E. PERRY,

Instructor of Manual Training.

REPORT OF THE ART TEACHER

TO THE SCHOOL COMMITTEE:

Throughout the entire school from the first grade through the eighth grade, the art classes are conducted with due regard to the ability of the children. I have gradually tried to introduce new plans and ideas which naturally take some adjustment. Because of the small amount of time the advancement is sometimes slow. I can safely say that the classes are showing improvement throughout the school due to the teachers' efforts to follow outlines and schedules which I do appreciate.

The High School enrollment, which is rather small, has done a great many posters for school activities. A good poster entails a knowledge of lettering, composition technique, both in drawing and painting and for the pupil a goodly amount of patience. The posters have improved since last year, and next year I hope they will be better than ever.

GUDRUN G. PAYNE.

REPORT OF THE DEPARTMENT OF PHYSICAL EDUCATION—GIRLS

TO THE SCHOOL COMMITTEE:

Outstanding in the events of the year was the acquisition of the new playing field for the girls. It has been much used and greatly

appreciated by the girls and by members of the visiting field hockey teams.

To the list of regular activities has been added Badminton. Instruction periods, free challenging, and Ladder Tournaments in both singles and doubles have created a great enthusiasm among both the boys and girls. By collecting old "birds" and by a vast amount of repair work, we have been able to supply free birds to the students.

Fancy and elementary skating has also been added, though it is difficult to offer this inclusively. It is hoped that the skating facilities will be large enough to include free skating space as well as a Hockey rink.

The needs of the Department, in the order of their importance, include:—

1. A wooden floor in the gym. This was urged as a very great need in my report last year.

2. School Towels and Laundry Service. There are no facilities for drying towels in the dressing rooms. Towels hung in the long lockers cannot be locked up and as a result they are "borrowed" and sometimes "disappear". This is not a hygienic or efficient practice.

3. 4.30 Bus Service for students remaining for after school sports. The number of girls who are interested is far greater than the number that stay for sports. A long five mile walk home after a strenuous program of activity is not an incentive. As a result of this problem the girls no longer have a Basketball Team.

Respectfully submitted,

MARJORIE D. MORSE, Jr.

BOYS' PHYSICAL EDUCATION AND ATHLETICS

TO THE SCHOOL COMMITTEE:

I wish to thank you for the new graded baseball diamond, for it will not only create more interest in baseball but will certainly improve the appearance of our school grounds. It is quite necessary, however, that we have a regulation back-stop placed in front of the present stands as there is a danger of spectators being injured. This will also keep the balls from going across the street.

I should also like to suggest that a section of the tennis court fence facing the football field be raised to a height of ten to fifteen additional feet to form a back-stop for the grades, as it will be necessary to keep them from playing on our new diamond.

The attendance at our athletic events has been gradually increasing in the past two years, and although an enclosed field is something we may look forward to in the future, our present situation necessitates some sort of seating facilities. There are numerous portable stands on the market that could be used in the Fall for football and

moved in the Spring for baseball, and I believe the cost would pay dividends by means of additional revenue in the form of gate receipts.

The past Fall again found our football team enjoying a victorious season, winning all of its nine games and subsequently being awarded a silver plaque by the Boston Sports Writers Association, with the title of Champions In Class D.

This year we have scheduled three home basketball games on Friday evenings, and from the large attendance at the first two there is an indication that basketball may become self-supporting for the first time.

Intra-mural games in basketball have begun and the interest is very great, especially in the grades. There is a marked improvement also in the physical efficiency of the grades.

Posture classes are being formed, and although there are about the same number requiring corrective work as in the past, a large number of these are new boys who have moved into Weston during the past year. Progress in this work is shown through our Silhouetteograph pictures and by the number of boys who in the past have been required to take these special exercises and who now find it no longer necessary.

Respectfully submitted,

JOHN S. PROCTOR

REPORT OF THE SCHOOL NURSE

TO THE CHAIRMAN OF THE SCHOOL COMMITTEE:

Mrs. Wegman carried on the work as usual until the middle of June, at which time she resigned. She had practically completed the work of the Pre-School Round Up before she left.

Since the opening of school in September, the annual physical, dental and eye examinations have been completed.

During the year, nineteen children were fitted to glasses and seventeen school children had their tonsils and adenoids removed, as well as one pre-school child.

One hundred and twenty-five children received dental certificates from the school dental clinic, having had all necessary dental work completed at the time the certificates were issued.

The Von-Pirquet Test was offered to the seventh, ninth and eleventh grades in September. The total enrollment for these grades at that time was one hundred and sixty-two and one hundred and eleven were given the test. Twenty seven children reacted to the test and were X-rayed. Four students who had been placed under observation previously were also X-rayed. This made a total of thirty-one. As a result of these X-rays, it was necessary for only eight to have physical examinations. Six of these were placed under observation, one was

discharged and one was advised to return for an examination in two years.

In October the clinics were held for the purpose of immunizing pre-school and school children against diphtheria. Seventy two children were given certificates as the result of negative Schick Tests. The total enrollment at these clinics was one hundred and nine.

Respectfully submitted,

VIRGINIA L. M. ROBINSON

LUNCHROOM REPORT

TO THE SCHOOL COMMITTEE:

The first aim of the School Lunch Room is to serve all pupils who desire it a hot lunch at noon. This may be chosen from a menu similar to the following:

	Tomato Soup	
Meat Loaf	Mashed Potato	Beets
	Vegetable Sandwich	
Butterscotch Pudding		Cookies
	Milk	

We are continuing our policy of serving one kind of cookie a day, and ice cream only twice a week. The remaining three days just fruit and home-made desserts are served.

Our food prices are the same as last year—10c for a main dish and 5c for all other articles except fruit which sells for 3c.

On December 31 our books showed Cash on Hand \$271.10, with outstanding bills of \$276. An invoice on the same date indicated that we had goods on hand to the value of \$107.80, leaving assets, December 31, 1936, \$102.90.

ELIZABETH P. COBB

REPORT OF THE SCHOOL PHYSICIAN

TO THE CHAIRMAN OF THE SCHOOL COMMITTEE:

The annual physical examinations, the Schick testing, and the administration of toxoid, and of toxin-antitoxin, were completed before the Christmas holidays.

Skin tests to detect latent or active tuberculosis were given to those pupils of the seventh, ninth and eleventh grades whose parents gave consent thereto. Roentgenograms were taken of the lungs of each pupil whose test was positive. The results, given in the Board of Health report will be found very gratifying.

REPORT OF THE SWIMMING POOL COMMITTEE

The Swimming Pool Committee for the year 1936 respectfully submits the following report:

The town pool opened June 23, and a satisfactory season of eleven weeks was completed September 5.

Conditions have been this year much as previously reported. The little pool is uncomfortably crowded much of the time, with a high attendance on warm days. This calls for careful supervision and absolute cleanliness of the tank and water.

We believe that everything possible is done to safeguard the health of the persons using the pool.

The season opened with Mr. William Hope, our instructor of the previous year, again in charge. He was obliged to leave us, and we were fortunate in obtaining Mr. Frank Holland of Dedham to take his place.

We recommend an appropriation of \$1000 for the coming year.

Mr. Holland's report follows.

I would like to suggest, for the sake of the appearance of the Pool itself, that the paint which is on there now, be sandblasted off and then given a good coat of concrete paint, to prevent the constant chipping which makes it very unsightly.

FRANK H. ALLISON

REPORT OF THE SUPERVISOR OF HEALTH

TO THE WESTON BOARD OF HEALTH:

Gentlemen:—I herewith submit my report as Supervisor of Health acting under the direction of the Board of Health for 1936.

General

There were twelve regular meetings of the Board of Health held during the year. A number of special hearings, chiefly relative to complaints regarding drainage, were held at the time of the regular meetings. The most important action by the Board during the current year was the adoption of a new regulation requiring the pasteurization of all milk, excepting that of the quality of certified milk, to be sold in the Town of Weston after November 1, 1936. This action was taken on the approval of the State Department of Public Health. Since only four dealers were delivering raw milk in Weston, and since two of these were also selling a pasteurized grade of milk, the action did not result in any radical change. The Board was prompted to consider and adopt this action following the report of a case of undulant fever, which is a disease spread chiefly by raw milk. There has been general co-operation on the part of milk dealers since the regulation became effective.

The Board has for some time urged the extension of the Weston Water supply on Conant Road to provide safe water for certain residents whose water has been discovered repeatedly to be unsafe. This extension has now been made and the menace of typhoid or other water borne diseases for these people has been removed.

The problem of drainage in the central part of the Town has continued to be a subject for study in co-operation with the Selectmen, but no satisfactory plan has yet been evolved.

Diseases Dangerous to the Public Health

There was a total of one hundred eighty cases of diseases dangerous to the public health reported during the year. This is a slightly lower figure than for 1935, but is considerably higher than the ten year average. Animal bites, chicken pox, measles, mumps, gonorrhea, syphilis and pneumonia exceeded the eleven year median, while German measles, scarlet fever and especially whooping cough, of which there was not a single case reported, were below the eleven year median.

The relatively high incidence of acute communicable diseases was accounted for chiefly by mumps, there being seventy three cases of this disease reported. One hundred fifty six of the one hundred eighty cases reported were due to four causes, none of which may be considered as preventable by any present known method. Nineteen thirty six was the eighth consecutive year during which there have been no cases of typhoid, and the third year during which there was no case of diphtheria. The single case of undulant fever which was reported, was, undoubtedly, contracted out of Town since the milk used by the patient's family in Weston was a pasteurized supply. In fact, all of the diseases that may be considered preventable by sanitary, or preventive medical measures were absent during the year.

Four cases of syphilis and three cases of gonorrhea were reported to the State Department of Public Health from Weston during the year. We only receive a memorandum of the number of cases reported, and no record of the name or address of patients. This makes impossible any follow up, or control work with these patients. Reference to Tables No. I and II give the detail on each reportable disease by months, and for the past ten years. These will prove interesting to anyone who takes the trouble to examine them.

Miss Isabel Howe served as public health nurse from the beginning of the year until June when she resigned to be married. Miss Virginia Robinson was appointed in her

place on June 15. Both nurses showed efficiency and co-operation in that part of their work which related to Board of Health.

Diphtheria

A third consecutive year has passed with a clean record for diphtheria. Although all the children in the Town are not immunized, nevertheless, the proportion protected is certainly sufficient to assure us against any general epidemic, and we shall not be surprised if we add more years to this excellent record. At the diphtheria clinic held in the public schools in the Fall, seventy five children who had received the prophylactic treatment with toxoid, or toxin antitoxin the previous year were tested for immunity. All but two of these were found to be immune. Twenty eight children, most of them of pre-school age, were given the prophylactic inoculations.

Tuberculosis

There were three new cases, and one death from tuberculosis reported during the year. The death occurred in an elderly person who had only recently moved into the Town. The following table shows the results of the clinic conducted in the Weston schools in co-operation with the Middlesex County Sanatorium. The number of parents consenting to have their children tested shows an excellent co-operative spirit, and understanding of what the work is for. Only one quarter of the children gave positive tuberculin tests, and no active cases of tuberculosis were discovered.

School Tuberculosis Clinic

School Population, Grades 7, 9, 11	162

Children X-rayed	31

Children Examined	8
Physical Examinations:	8
Observation cases	6
Empyema Healed (Re-exam in 2 yrs.)	1

Laboratory

Only seventeen specimens were examined for diagnostic aid during the year as compared with thirty the previous year. This work may fluctuate widely from year to year according to the prevalence of suspected cases of disease where laboratory tests may be of value.

A total of two hundred nineteen samples of milk were analyzed chemically and bacteriologically during the year, and twenty two samples of water.

Milk

Milk from nineteen dealers with a total of thirty two separate grades of milk were examined routinely in the laboratory. The examination of Table III shows all of the milks to conform to legal requirements, and to be of high sanitary quality as indicated by the bacteriological and sediment tests. They were also satisfactory as to their chemical qualities.

It is interesting to compare the milk of 1936 with the milk delivered in Weston ten years ago. At that time there were only ten dealers and twelve grades of milk as compared with nineteen and thirty two respectively. Five dealers had bacteria counts of over 10,000 bacteria per c. c., while only one milk had a count of over 10,000 bacteria

last year. All but four of the milks had "unsatisfactory" sediments, while the tested samples for 1936 had no "unsatisfactory" sediments. Finally, only sixty six percent of the milk had an average of 4% or over in butter fat content in the earlier year, while 82% of the milk sold in Weston in 1936 averaged over 4% butterfat. The milk delivered today is therefore cleaner, richer and especially safer than it was ten years ago.

Complaints

The usual number of miscellaneous complaints were filed with the Board of Health, and were investigated. Suitable action was taken in every case.

Reference has already been made to the more important solved and unsolved complaints.

Births

Twenty nine live births and no stillbirths were reported during 1936. This was twelve fewer than was reported last year. This gives a birth rate of 7.3.

Deaths

Tables VI, VII and VIII show the deaths according to the International Classification, for residents dying in Weston and outside of Weston, and for non-residents dying in Weston. There were a total of thirty one deaths of residents as compared with forty in 1935, and the rate of 7.8 is low compared with the death rate for the entire State. There was only one death of a resident from an infectious cause, and all but three deaths occurred over the age of forty.

Respectfully submitted,

C. M. HILLIARD, *Supervisor.*

REPORT OF THE INSPECTOR OF PLUMBING

February 8, 1937.

BOARD OF HEALTH,
WESTON, MASS.

Gentlemen:

I herewith respectfully submit to you for your approval, my report as Plumbing Inspector for the year of 1936.

There were 46 permits issued for Plumbing work. These included new and old buildings and alteration work. Of these 25 were for new buildings and 21 were for alterations and old buildings.

The sum of \$83.50 was received for permits and the money paid to the Town Treasurer.

Respectfully submitted,

ABEL J. COLPITTS,

Plumbing Inspector.

REPORT OF THE HISTORICAL COMMITTEE

TO THE BOARD OF SELECTMEN:

The Weston Historical Committee respectfully submits the following report for the year 1936:

There have been some additions to the collection of photographs of historic interest during the past year which we are glad to have, and one or two other articles, but the most important thing that has come up is the prospect of a place to keep and show our treasures. The old Law Office of Isaac Fiske on the Post Road at the corner of Linwood Avenue which stands under the Burgoyne Elm, has been used for some time as an office by the Cemetery Commissioners. As they are not using the main building any longer, but only the ell at the back, it has been suggested that our committee take over the original office for its purposes, put it in order and have its headquarters there. The committee thinks that this would be a most excellent arrangement in every way. The building will need some repairs, for which there has been an estimate. The Historical committee would like also a small fund for the purchase of show-cases etc. If this matter can be arranged, we would like to ask for an appropriation of \$500 for this year for these purposes.

GERTRUDE FISKE,

ALICE E. JONES,

EDWARD P. RIPLEY,

Historical Committee.

REPORT OF THE BOARD OF WATER COMMISSIONERS

On applications for extensions of the water mains by property owners on Conant Road and Loring Street a special Town Meeting was held on August 5, 1936. It was voted to borrow ten thousand dollars through a bond issue for the purpose of extensions of water mains. This money has been expended and the work has been completed, consisting of the installation of a 10-inch main in Conant Road from the corner of Viles Street running northerly approximately 2500 feet and also for a 10-inch main in Loring Street of about 250 feet. The customary guarantees have been obtained from property owners who are served by these extensions, respecting payments to the town therefor. With the exception of the foregoing no enlargement or extension of the water works has been made during the past year. Considerable work was completed, however, in the maintenance of equipment notably that of the cleaning of the wells at both Kendal Green and Warren Avenue, also, in the late fall a contract was awarded Cherry Brothers of North Oxford, Mass. for \$1,325 to thoroughly wash, scrape and remove all loose material within and without the steel stand pipe on Doublet Hill and repaint it with two coats of special paint. We feel well satisfied with the result. This is work that should be done every three years to preserve the structure.

During the past several summers serious droughts have occurred and that of last June and July was of record duration. Since during such periods very heavy demands are made by customers the facilities of the department are taxed to their utmost capacity. Also the ground water level at Kendal Green where our chief supply is obtained was seriously lowered. Whereas the equipment and supply are of sufficient size to meet present requirements during normal conditions it appears important that added capacity

should be acquired to meet such emergencies as may occur in the future. It is also apparent that the present facilities will be inadequate after further material increase in population. Because we believe the latter to be inevitable we have made exhaustive studies in this respect and have employed expert engineering assistance. As a result we have concluded that the supply now obtainable at Kendal Green and Warren Avenue will be insufficient for future requirements. Considerable prospecting has been undertaken in other sections of the town but the results thus far have not been particularly satisfactory. We plan to continue this investigation further.

Respectfully submitted,

EDWARD P. RIPLEY,

ARCHIBALD G. MONKS,

ABEL J. COLPITTS,

Board of Water Commissioners.

* Further detail may be had by consulting the Auditor's report.

The increase in our expenditures this year, as compared to last, has been caused principally by the change in the interpretation of the laws regarding our relations with hospitals and the revision of the State laws governing the administration of Old Age Assistance to conform with the Social Security Act.

Expenditures on account of persons living in Weston increased in 1936 over 1935 as follows: \$1180 for medical care, \$770 for Old Age Assistance (exclusive of payments of \$604 made from Federal Grants), and \$410 for Dependent Aid other than medical care. The total expenditures for this Department were \$7264 in 1935 and \$10,089 in 1936, an increase of \$2825.

The broadening of the Old Age Assistance laws to allow the applicant almost any amount of real estate equity, the reduction of the age limit, the increasing of the minimum cash payments have doubled the cost of this form of relief.

We anticipate for 1937, an appreciable increase in both hospitalization and Old Age Assistance cases. Until the middle of 1936 the hospitals were not generally acquainted with their new position and it was not until September 1936 that the Old Age Assistance revisions became effective. Had the effect of these changes been felt throughout the year, our expenditures would have been correspondingly greater.

We do not anticipate any appreciable increase in the amount to be expended for general support in the town during 1937, unless there is a curtailment of work on Federal Relief Projects.

The following appropriations are recommended for 1937:

Dependent Aid	\$6,000.00
Aid to Dependent Children	700.00
Old Age Assistance	2,500.00
Administration	1,800.00
<hr/>	
Total	\$11,000.00

In anticipation of the Federal Grants, which are made to us from month to month and which are set aside for our use in making Old Age Assistance payments, the amount recommended for this purpose is a reduction, by one-half, of the estimated 1937 expenditures.

The amount recommended for administration would allow increased compensation for the discharge of the necessary duties, which have assumed such proportions as to take practically all of the agent's time in administering the various forms of public welfare in Weston.

STEPHEN WEBSTER,
RALPH F. SLAYTON,
Board of Public Welfare.

REPORT OF THE PLANNING BOARD

January 11, 1937.

Gentlemen:—With Weston's rapid growth, the time has come when it is essential for the health, happiness and proper progress of the Town to improve its building and zoning by-laws. To that end the Planning Board appointed a committee to study the subject and confer with the Planning Board in the hope that measures may be submitted to the Town Meeting for consideration. The committee consists of Mr. William R. Dewey, Mr. Charles W. Hubbard, Mr. F. Cliff Pearce, Mr. Walter H. Trumbull, Jr., and Mr. Clifford N. Wilson.

In connection with the zoning by-law, it is apparent that since Mrs. Francis H. Hastings has demolished the disused organ factory at Kendal Green, thus raising the standard of the neighborhood from industrial to residential, this change should be reflected in the by-law.

The Board asks for no appropriation for the year 1937.

SPECIAL REPORT OF TOWN PLANNING BOARD RELATIVE TO PROPOSED CHANGES IN ZONING BY-LAWS

Pursuant to the laws of The Commonwealth of Massachusetts, the Planning Board held a public hearing, duly advertised, on February 15, 1937, in the Town Hall, relative to changing the restrictions of the zoning by-law. The meeting was attended by approximately 400 voters.

We now report recommending to the Town Meeting that the following changes be made in Article VIII of the By-Laws:

A. Section 1 be amended to read as follows:

“Section 1. *Establishment of Districts.* For the purposes of this by-law, the Town of Weston is hereby divided into six classes of districts to be known as:—

1. Single residence districts, Class A,
2. Single residence districts, Class B,
3. Single residence districts, Class C,
4. General residence districts,
5. Business districts,
6. Industrial districts,

as shown on the map which accompanies this by-law, entitled: ‘Zoning Map of the Town of Weston, Massachusetts, as amended 1937,’ filed in the office of the Town Clerk, which map, together with all the boundary lines and designations thereon, is hereby declared to be a part of this by-law.”

There is submitted as a part of the report the draft zoning map referred to in said Section 1 as amended.

The substance of the change in Section 1 is the establishment of three single residence districts, thus making the

Town divided into six classes of districts in place of the existing four.

B. Section 9 be amended to read as follows:

"Sec. 9. *Definition, Minimum Area and Frontage of Lot.* A lot is the whole area of a single parcel of land under one undivided ownership, whether the tenure be several, joint, common or by the entirety. When such a parcel is divided on a plan filed at the Registry of Deeds, the term 'lot' shall mean a lot as shown on such plan, irrespective of ownership.

Every lot hereafter laid out in the general residence districts shall contain not less than ten thousand square feet.

Every lot in single residence districts shall contain not less than the area and shall have a frontage on a street or private way used in common by two or more owners or a width at the minimum street setback distance of not less than the amounts herein specified as follows:

Class of District	Minimum Area square feet	Minimum Street Frontage or width at street setback distance feet
Single residence districts, Class A,	20,000	100
Single residence districts, Class B,	30,000	125
Single residence districts, Class C,	40,000	125"

The substance of the change in Section 9 is the omission in the second paragraph of the words "single residence or", pursuant to the 1934 amendment, and the substitution of a new paragraph designating the minimum areas in the single residence districts and adding certain minimum frontage requirements. The applicable statutes of Massachusetts now make adequate provision for the application

of amendments such as the one here proposed to existing uses of land and buildings. It is unnecessary to write into the by-law the language of the statute.

C. Section 9 (a), adopted March 26, 1934, be repealed.

D. Section 10 be amended to read as follows:

“Sect. 10. *Single Residence Districts.* A. In the single residence districts, no building or structure, or buildings or structures on any one lot, including garages, stables, and all accessory building or structures, shall be constructed, altered, enlarged, or reconstructed so as to occupy at the level of the first floor more than forty per cent of the area of the lot, nor, at the level of the second floor, more than twenty-five per cent of the area of the lot.

B. In the single residence districts no building or structure shall be constructed, altered, enlarged or moved so that any part, except uncovered steps, is less than the distance from the line of every adjoining lot or is less than the distance from the street line of any street or private way used in common by two or more owners herein specified as follows:

Class of District	Distance from lot line	Distance from street line
Single residence districts, Class A	15 feet	30 feet
Single residence districts, Class B	20 feet	35 feet
Single residence districts, Class C	25 feet	40 feet

Subsection A of Section 10 remains unchanged. The setback distances are specified for the various classes of single residence districts in subsection B.

E. Section 8 be amended to read as follows:

“Sect. 8. *Setback Distance: All Districts.* No building or structure shall be constructed, altered, enlarged,

reconstructed, or moved so that any part, except uncovered steps, is less than fifty-five feet distant from the center line of any street or private way used in common by two or more owners; provided that the Selectmen, under the provisions of Section 18, may give permission for a lesser distance to be used in specific cases where restricted lot dimensions, unfavorable topography of the ground, or other conditions, would make it impossible, difficult, or unreasonably expensive to adhere to the distance required by this section."

The only change in this section is to increase by 10 feet the setback distances from the center line of the street or private way and to add following the words "private way" the following: "used in common by two or more owners".

F. It is suggested that following the words "private way", where they appear in Section 11 B, the words "used in common by two or more owners" be added.

G. It is suggested that following the words "private way", where they appear in Section 12 B, the words "used in common by two or more owners" be added.

Our recommendations are based upon the reasons given in the report prepared for us by the special committee and upon the public hearing.

REPORT OF THE TRUSTEES OF THE PUBLIC LIBRARY

TO THE BOARD OF SELECTMEN :

GENTLEMEN :

The Trustees of the Public Library present their annual report, as follows :

Very few changes in the methods or conduct of the Library have been found necessary during the year.

The Trustees repeat their previous statements of approval and appreciation of the Library staff.

The one considerable novelty of the past year—the oil burner for heating the Library building—has justified itself both as regards successful performance and exceeding flexibility to changeful New England temperatures. No increase of expense has occurred as compared with coal, when removal of ashes and similar extras are taken into consideration. The burner was paid for out of accumulated trust fund income.

Details of the service of the Library to the Town, new books, and various statistics may be found as usual in the Librarian's report.

It seems to the Trustees that the remainder of amounts taken from the Library employees' salaries in reductions of some years since, should now, especially in view of increased prices which seem likely to come upon us all, be restored.

The Trustees ask for an appropriation for the current year of \$4,700 if such restorations be made, or, if it is not in accordance with the policy of the town to make such restoration at present, an appropriation of \$4,500, the appropriation in either case to be in addition to the usual allocation to the Library of the dog license refund.

Respectfully submitted,

CHARLES M. EATON,
LOUSIA W. CASE,
G. M. PALMER, JR.

Library Trustees.

Town Warrant

COMMONWEALTH OF MASSACHUSETTS

MIDDLESEX, SS.

To any Constable of the Town of Weston,

GREETING:

In the name of the Commonwealth you are hereby required to notify and warn all of the inhabitants of the said town, qualified by law to vote in elections and town affairs, to meet in the Town Hall, in said town, on Monday, the 30th day of March, 1936, at 12 o'clock noon to act on Article 1 of this warrant; and to meet in said Town Hall on the same date at 8 o'clock, P. M. then and there to act upon the remaining articles of this warrant.

The polls for the election of town officers will be opened at 12 o'clock noon and may be closed at 7.45 P. M.

ARTICLE 1. To bring in their votes for the following town officers, each to be designated and all to be voted for on one ballot, namely:—

A moderator for a term of one year,
 One selectman for a term of three years,
 One member of the board of public welfare for a term of three years,
 One assessor for a term of three years,
 One member of the school committee for a term of three years,
 A treasurer and collector for one year,
 An auditor for a term of one year,
 One library trustee for a term of three years,
 A library treasurer for a term of one year,
 One trustee of the Merriam Fund for the Silent Poor for a term of three years,
 One park commissioner for a term of three years,
 One cemetery commissioner for a term of three years,

One member of the board of health for a term of three years,
Three measurers of lumber for one year,
One member of the board of commissioners of trust funds for a term of three years,
One member of the board of water commissioners for a term of three years,
Five members of the planning board,
A tree warden.

ARTICLE 2. To hear and act upon reports of town officers and committees.

ARTICLE 3. To determine whether the town will vote to transfer from the overlay reserve fund to the reserve fund of the town the sum of \$7,500.00 or such other sum as the town may deem proper in the premises.

ARTICLE 4. To determine whether the town will vote to amend the vote passed under Article 11 of the warrant for the annual Town Meeting held March 30, 1931 by reducing the amount of the appropriation for certain extensions to the water system from \$13,500 to \$13,000 and revoking the authority now in force to issue an additional bond in the sum of \$500.

ARTICLE 5. To determine what action the town will take relative to the care of the dwelling house at the corner of South Avenue and Park Road owned by the town, to authorize the Selectmen to manage and rent the same and to appropriate money for improvements and repairs thereto.

ARTICLE 6. To determine whether the town will vote to authorize the School Committee to expend from the appropriation of \$1500 for taking and improvement of land for recreational purposes a sum not exceeding \$300 for the purchase of real estate in connection with the proposed improvement and enlargement of the property adjoining the school buildings.

ARTICLE 7. To determine whether the town will vote to authorize the School Committee to expend a sum not exceeding \$21,000 for completing the construction of the high school building and providing the additional school rooms including the cost of original equipment and furnishings thereof, to appropriate \$3,000 of said sum to be raised by taxation during the current year and to raise by borrowing the sum of \$18,000 to be expended for said purpose under the supervision of the School Committee and to vote to issue such bonds or notes as may be necessary or advisable in connection therewith.

ARTICLE 8. To determine whether the town will vote to authorize the sale and conveyance of a certain parcel of land located on Golden Ball Road now or formerly used for purposes of the Highway Department; to authorize the selectmen to give deed and to determine the amount to be paid for same.

ARTICLE 9. To raise and appropriate, by borrowing or otherwise, such sums of money as may be necessary for all or any of the purposes mentioned in the foregoing articles, or as may be required to defray the expenses of the town for the ensuing year; and especially to act upon all the appropriations asked for or proposed by the selectmen or by the town officers or committees in their reports; and to authorize the town treasurer, with the approval of the selectmen, to borrow money from time to time in anticipation of the revenue of the financial year beginning January 1, 1936, and to issue a note or notes therefor, payable within one year, and to renew any note or notes as may be given for a period of less than one year in accordance with Section 17, Chapter 44, General Laws.

And you are to serve this warrant by posting three attested copies thereof, according to the vote of the town, namely, at the town house, at the Kendal Green post office, and on the town bulletin-board at the junction of South Avenue and Park Road and Newton Street seven days at least before the time appointed for said meeting.

Hereof fail not; and make due return of this warrant with your doings thereon to the Selectmen at the time and place of said meeting.

Given under our hands this third day of March in the year of our Lord one thousand nine hundred and thirty-six.

HERBERT E. TYLER,

B. LORING YOUNG,

BRENTON H. DICKSON, JR.,

Selectmen of the Town of Weston.

Pursuant to the within warrant I have notified and warned the inhabitants of the Town of Weston according to order.

MAURICE L. UPHAM,

Constable.

Annual Town Meeting, March 30, 1936

In pursuance of the foregoing warrant, the inhabitants of the town qualified to vote in elections met in the Town Hall on Monday, March 30, 1936 at 12 o'clock noon and were called to order by Dudley P. Ranney, Moderator. Brenton H. Dickson, Jr., Town Clerk read the warrant calling said meeting and the return of the officer who served the same upon the inhabitants.

The Lower Town Hall had been fitted up as a polling place in conformity with the laws of the Commonwealth. The cards of instructions, penalties to voters and specimen ballots were posted in accordance with the laws of the Commonwealth. The following Election Officers who had

previously been appointed by the Selectmen were sworn by the Town Clerk to the faithful performance of their duties:

Ballot Clerks

John A. Cain, Jr.

George H. Welcome

Election Officers

Frank L. Jacques

John Harte

Tellers

Marie L. Tilton

Arthur C. Jones

Mae E. Vittum

William J. Loughlin

Richard P. Burgess

Henry A. Grimwood

William Henderson

Harold A. Stevens

The ballot-box was publicly opened and shown to be empty. The register on the box was set at zero (0) and the box immediately thereafter locked and the keys thereto delivered to the Town Clerk.

A package containing 2200 ballots was delivered to the ballot clerks by the Town Clerk who took their receipt therefor. The polls were then declared open.

Upon two occasions while the polls were open the ballot-box was opened and ballots taken therefrom for counting, it being deemed advisable so to do in the unanimous judgment of the Presiding Election Officer and the Town Clerk. The times of thus opening the ballot-box and the number of ballots taken therefrom were as follows:

7.10 P. M.	50 ballots
7.25 P. M.	50 ballots

At 7.40 P. M. it was voted to hold the polls open until 7.55 P. M. at which time the polls were closed.

The number of names checked on the voting lists used by the ballot clerks and the Election Officer in charge of the reception of ballots was 195. The automatic register on the ballot-box read 195 and 195 ballots were taken therefrom. The ballots were counted and recorded and declaration thereof made in open meeting by the Moderator.

While the polls were open the ballot-box was in charge of John Harte and the voting list used in connection therewith was in charge of Frank L. Jacques.

The votes were canvassed and counted by the tellers, and after record thereof had been made, the Moderator caused all ballots cast at the election, the tally sheets used in counting the votes and the voting lists used in the distribution and deposit of ballots publicly to be enclosed in envelopes,

which were sealed and endorsed and certified in the manner required by law. The above mentioned envelopes, together with the ballot-box and the seal were forthwith delivered to the Town Clerk.

A true record.

Voted: That the proceeds of dog tax refunds held by the town treasurer and amounting on December 31, 1935, to \$1,963.01 together with all money refunded for the current year to the town by the treasurer of Middlesex County under the provisions of law relating to dog licenses may be expended for the support of the Town Library in such manner as the trustees of said Library shall determine.

Voted: That five persons be appointed by the Moderator to serve as a Memorial Day Committee with the authority to expend upon the observance of said day the sum of money already appropriated for that purpose. The Moderator appointed Carl T. Rhoades, Ralph F. Slayton, Mrs. Everett A. Brotchie, Mrs. Granton H. Dowse and David A. Perry.

Voted: That of the money already appropriated a sum not exceeding forty thousand dollars be taken from any money in the treasury not otherwise appropriated, provided, however, that this vote apply only to money in the treasury as of the date when the tax rate for 1936 is fixed.

Voted: That the money appropriated at this annual town meeting, not otherwise provided for, be assessed, after deducting the estimate of receipts for the ensuing year, upon the polls and estates taxable in this town and be col-

lected as the town charges are usually assessed and collected as provided by law.

Voted: That the town treasurer, with the approval of the selectmen, be and hereby is authorized to borrow from time to time in anticipation of the revenue of the financial year beginning January 1, 1936, to an amount not exceeding in the aggregate \$125,000.00 and to issue a note or notes therefor, payable within one year, and to renew any note or notes as may be given for a period of less than one year.

ARTICLE 3. *Voted:* That there be transferred from the overlay Reserve fund to the reserve fund the sum of \$7500.

ARTICLE 4. *Voted:* That the vote adopted by the town under Article 11 of the warrant for the annual town meeting held on March 30, 1931, be and it is hereby amended by reducing the amount of the appropriation for certain extensions to the water system from \$13,500 to \$13,000 and

Further Voted: That the authority granted by said vote to issue a bond or note for said purposes in the sum of \$500 be and the same hereby is revoked.

ARTICLE 5. *Voted:* That the dwelling house, barn and real estate located at the corner of South Avenue and Park Road accepted by the town at a special town meeting held January 6, 1931, as a gift from Mrs. Anne H. Davis be administered under the supervision of the Board of Selectmen with authority in said Board to rent the property at such rental as the Board determines to be reasonable, the rent received to be paid into the treasury of the town and

Further Voted: That the sum of \$600 be and hereby is appropriated to be expended under the supervision of the Board of Selectmen for improvements and repairs to said property, this appropriation item to be inserted in the budget under the heading "Unclassified-Dwelling House at Cutter's Corner".

ARTICLE 6. *Voted:* That the Selectmen be and they are hereby authorized to acquire for school purposes by purchase, gift, eminent domain or otherwise two certain parcels of land described as follows: "Parcel A" "Beginning at a point 224 feet westerly from the westerly side line of Wellesley Street, this point being the northwesterly corner of land of Olive V. Morrill; thence running in a southerly direction by land of said Morrill 100 feet to land of Harry L. Bailey; thence in a southwesterly direction by land of said Bailey 275 feet more or less to land of Wilmot Whitney; thence in a westerly direction by land of said Whitney 45 feet more or less to a ditch; thence in a southerly direction by land of said Whitney 184 feet more or less to land of Katherine S. Curtis; thence in a westerly direction by land of said Curtis 128 feet more or less to a stone bound and land of the Town of Weston; thence in a northerly direction by a ditch and land of the Town of Weston 554.7 feet more or less to another ditch; thence in an easterly direction by this ditch and land of the Town of Weston 194 feet more or less to the point of beginning; containing two acres more or less."

Parcel B. "Beginning at a point 128 feet easterly from a stone bound on the northerly line of property of Katherine S. Curtis where this line intersects the line of a ditch; thence running in a northerly direction by said ditch and land of Harry L. Bailey, 184 feet more or less; thence in an easterly direction by land of said Bailey 45 feet more or less; thence turning and running in a southwesterly direction by other land of Wilmot Whitney 197 feet more or less to point of beginning; containing 4000 square feet, more or less."

said parcels of land after this acquisition to be added to the school property and maintained under the supervision of the School Committee of the Town. If the acquisition is by eminent domain, title shall be taken in fee and the taking shall include all trees and structures upon said land, and

Further Voted: That for the purpose of acquiring said parcels of land the Selectmen are hereby authorized to expend a sum not exceeding three hundred (300) dollars from the appropriation of fifteen hundred (1500) dollars already

made under the heading "Taking and Improvement of Land for Recreational Purposes", and said sum of three hundred (300) dollars being hereby specifically allocated to the purchase of said parcels of land or to the payment of any damages occasioned by the taking thereof by eminent domain.

The foregoing vote passed unanimously.

ARTICLE 7. *Voted:* That the sum of twenty-one thousand (21,000) dollars be and it is hereby appropriated for the purpose of completing the construction of the high school building and providing additional school rooms, including the cost of original equipment and furnishings thereof, this sum to be expended under the direction of the School Committee. The School Committee is hereby empowered to employ and compensate an architect or architects to prepare plans and engineers and other experts to assist said Committee in the performance of its duties hereunder. Approval of such plans shall rest solely in the discretion of the School Committee. Upon preparation and approval of such plans, the School Committee shall select a contractor or contractors to perform the work of construction and said Committee is hereby authorized to execute with him or them in the name and behalf of the Town a contract or contracts for such work subject to all applicable provisions of law and to the appropriation made by the Town.

Further Voted: That of said appropriation of twenty-one thousand (21,000) dollars, the sum of three thousand (3,000) dollars (which is a sum not less than twenty-five cents on each one thousand (1,000) dollars of the assessed valuation of the Town for the year 1935) shall be raised in the current year's tax levy and the remaining eighteen thousand (18,000) dollars may be raised by incurring indebtedness inside the debt limit under authority of Chapter 44 of the General Laws as amended, for which purpose the Treasurer of the Town with the approval of the Selectmen is hereby authorized to prepare, issue and sell bonds or notes

of the Town to an amount not exceeding eighteen thousand (18,000) dollars payable in not more than ten years from the date of said bonds or notes or in such shorter period as the Treasurer and Selectmen may determine. Said bonds or notes shall be designated on the face thereof "Weston School Loan Issue of 1936", shall bear interest at a rate not exceeding three (3) per cent. per annum, payable semi-annually, shall be signed by the Town Treasurer, countersigned by a majority of the Selectmen, and shall state on the face thereof that they are exempt from taxation in Massachusetts. Said bonds shall not be obligatory upon the Town without the authenticating certificate thereon of a national bank to be designated by the Selectmen, shall be in coupon form but subject to registration as to principal, and may be sold from time to time by the Town Treasurer under the direction of the Selectmen at public or private sale with or without notice or advertisement but at not less than par and accrued interest. Premiums received on said bonds or notes less the cost of preparing, issue and marketing them shall be applied to the payment of the principal of the first bonds or notes so to mature. All other particulars as to form, issuance and sale shall be determined by the Town Treasurer with the approval of the Selectmen. For the purpose of payment of principal and interest on said bonds or notes as they become due, there shall be raised by taxation each year a sum sufficient to pay said principal and interest coming due in said year until all of said bonds or notes herein authorized have been paid.

This vote was taken by a rising vote, 226 persons voted in the affirmative and 15 persons in the negative.

ARTICLE 8. *Voted:* That the Selectmen are hereby authorized to sell and convey in the name and on behalf of the town a certain parcel of land conveyed to the town by George H. Jones by deed dated April 16, 1907, located on Golden Ball Road and heretofore used for the purposes of the highway department, said parcel containing 16,898 square feet of land more or less, together with any or all rights and privileges appurtenant thereto and

Further Voted: That the Selectmen may dispose of said land at public auction or private sale, may reject any and all bids if they believe the same to be inadequate in amount, may determine any and all other particulars in regard to said sale and may execute and deliver such deed or deeds as may be necessary or proper in the premises.

The following resolution was offered and unanimously adopted.

Resolved That the people of Weston have learned with deep regret of the decision of David W. Lane to retire as a member of the Board of Assessors of the Town of Weston. Mr. Lane has served continuously on this Board since his first election in 1894, a period of forty-two years. He has fulfilled the duties of the office with ability and efficiency. His colleagues and the people of the Town have valued his sound judgment, unquestioned integrity and long experience. In addition to his work on the Board of Assessors, Mr. Lane served as a member of the Board of Park Commissioners from the creation of that Board in 1893 until 1917. While Chairman of the Board of Park Commissioners in 1907, he co-operated with the municipal officials of Newton in procuring the construction of the bridge over the Charles River on Park Road. He was most active in the development of the plan for the improvement of the center of the Town which culminated in the creation of the town park and the construction of the new Town House and he was a member of the Building Committee under the supervision of which the Town House was built. During all these years Mr. Lane has been an outstanding figure in the administration of town affairs and has taken a leading part in making Weston one of the best governed towns in the Commonwealth.

Further Resolved that a copy of these resolutions suitably engrossed and certified by the Town Clerk be sent to Mr. Lane with the compliments of the Town.

Article 9 had previously been taken up in connection with Article 2.

The meeting was dissolved at 9.25 P. M.

1 Delegate to State Convention of the Republican party.

All the above candidates are to be voted for upon one ballot.

The polls will be open from 4 to 8 P. M.

And you are directed to serve this warrant by posting attested copies thereof seven days at least before the time of said meeting as directed by vote of the town.

Hereof fail not and make return of this warrant with your doings thereon at the time and place of said meeting.

Given under our hands this fifteenth day of April, A. D., 1936.

HERBERT E. TYLER,

B. LORING YOUNG,

Selectmen of Weston.

Pursuant to the within warrant I have notified and warned the inhabitants of the Town of Weston according to order.

MAURICE L. UPHAM,

Constable.

Primaries, April 28, 1936

Pursuant to the foregoing warrant the inhabitants of the town, qualified to vote in Primaries, met in the lower Town Hall on Tuesday, April 28, 1936 at 4 o'clock P. M. and were

called to order by Herbert E. Tyler, Chairman of the Selectmen and Presiding Election Officer, who read the warrant calling said meeting and the return thereon of the officer who served the same upon the inhabitants of the town.

The Lower Hall was fitted up as a polling place in conformity with the laws of the Commonwealth. Before the opening of the polls the cards of instruction, penalties to voters and specimen ballots were posted in accordance with the laws of the Commonwealth.

Mae E. Vittum and John A. Cain, Jr., whom the Selectmen had appointed Ballot Clerks, were sworn by Mary R. Sheehan, Assistant Town Clerk to the faithful performance of their duties. Grace H. Spaulding and John Harte, whom the Selectmen had appointed Election Officers, were sworn by the Assistant Town Clerk to the faithful performance of their duties.

The ballot box was opened publicly and shown to be empty, the register on the box set at zero and the box immediately locked and the keys thereto delivered to the Presiding Election Officer.

Two packages, one containing 1557 Republican ballots and one containing 472 Democratic ballots were delivered to the Ballot Clerks by the Assistant Town Clerk who took their receipt therefor.

The polls were then declared open.

Upon two occasions while the polls were open the ballot-box was opened and ballots taken therefrom for counting, it being deemed advisable so to do in the unanimous judgment of the presiding Election Officer and the Clerk. The times of thus opening the ballot-box and the number of ballots taken therefrom were as follows:

7.00 P. M.	100
7.30 P. M.	100

At eight o'clock P. M. the polls were declared closed.

The number of names checked on the voting lists used by the Ballot Clerks and the Election Officers in charge of

the reception of ballots was three hundred thirty-five. The automatic register on the box read 335 and 335 ballots were taken therefrom, 326 Republican ballots and 9 Democratic ballots. These ballots were sorted, counted and recorded and declaration thereof made in open meeting by the Presiding Election Officer and were for the following:

While the polls were open the ballot-box was in charge of John Harte and the voting list used in connection therewith was in charge of Grace H. Spaulding.

In the canvassing and counting of votes the regular election officers were assisted by John J. Cassidy, Jr., Frank L. Jacques, George H. Welcome, William J. Henderson, Cora S. Ripley, Marie L. Tilton, Warren E. Vittum and John C. Waters, Jr. who had previously been appointed Tellers and were sworn to the faithful performance of their duties by the Assistant Town Clerk.

The ballots cast in the Primaries, the tally sheets used in counting the votes and the voting lists used in connection with the distribution and reception of ballots were enclosed in envelopes and were sealed and endorsed. These, together with the ballot-box, the keys thereto, and the seal were delivered to the Clerk by the Election Officers, who in this and all other matters connected with the Primaries followed and caused to be followed the "Laws Relating to Elections" as prepared by the Secretary of the Commonwealth.

At 10.58 P. M. the meeting was declared dissolved.

Town Warrant

COMMONWEALTH OF MASSACHUSETTS
MIDDLESEX, SS.

To any Constable of the Town of Weston,

GREETING:

In the name of the Commonwealth, you are hereby required to notify and warn all of the inhabitants of the said town, qualified to vote in elections and town affairs, to meet in the Town House, in said town, on Wednesday, the fifth day of August, 1936, at 8 o'clock P. M., to act upon the article of this warrant.

ARTICLE 1. To determine whether the town will vote to extend the system of water supply by laying a main or mains in public highways, including Conant Road from the existing main at Viles Street, northerly approximately 2500

feet; and also in Loring Street from the terminus of the present main near the house of 111 Loring Street, northerly approximately 200 feet more or less; and to appropriate a sum of money not exceeding \$10,000.00 for said purposes; and to determine how said sum shall be raised, by borrowing or otherwise, and to authorize the issuing of bonds or notes therefor, and to act in any way relative thereto.

And you are to serve this warrant by posting three attested copies thereof according to the vote of the town, namely, at the Town House, at the Kendal Green post office and on the town bulletin board at the junction of South Avenue and Newton Street and Park Road, seven days at least before the time appointed for said meeting.

Hereof fail not, and make due return of this warrant with your doings thereon to the Selectmen at the time and place of said meeting.

Given under our hands this twenty-fourth day of July in the year of our Lord one thousand nine hundred and thirty-six.

HERBERT E. TYLER,

BRENTON H. DICKSON, JR.,

Selectmen of the Town of Weston.

Pursuant to the within warrant I have notified and warned the inhabitants of the Town of Weston according to order.

J. SUMNER VILES,

Constable.

Special Town Meeting, August 5, 1936

In pursuance of the foregoing warrant, the inhabitants of the town qualified to vote in elections met in the Lower Town Hall on Wednesday, August 5, 1936 at 8 o'clock P. M. and were called to order by Dudley P. Ranney, Moderator. Mary R. Sheehan, Assistant Town Clerk, read the warrant

calling said meeting and the return of the officer who served the same upon the inhabitants.

ARTICLE 1. *Voted:* The Water Commissioners are hereby authorized in their discretion to lay new mains not less than six inches but less than sixteen inches in diameter in any of the public ways of the town, including Conant Road northerly about 2500 feet from the existing main at the junction of that street and Viles Street and Loring Street northerly about 200 feet from the north end of the existing main therein; and to make in the name and behalf of the town and upon terms at their discretion (subject to law and to the appropriation hereinafter mentioned) suitable contracts with respect to the laying of such new mains, including contracts providing for the payment to the town of the whole or any portion of the cost thereof.

Further Voted: The Water Commissioners are hereby authorized to expend for the laying of such new mains the whole or any part of the sum of \$10,000, which is hereby appropriated for that purpose, to be raised by incurring indebtedness outside the debt limit under the authority of Chapter 44 of the General Laws as amended, for which purpose the town treasurer with the approval of the Selectmen is hereby authorized to prepare, issue and sell coupon bonds or coupon notes of the town in the principal amount of \$10,000, payable in not more than 15 years from the date of said bonds or notes or within such shorter period as the treasurer and selectmen may determine, with annual maturities in accordance with section 19 of said Chapter 44, as amended. Said bonds or notes shall be designated on their face "Weston Water Main Loan, Issue of 1936," shall be signed by the treasurer and countersigned by the selectmen, and shall state on the face thereof that they are exempt from taxation in Massachusetts. Said bonds shall not be obligatory upon the town without the authenticating certificate thereon of a trust company or national bank to be designated by the selectmen. Said bonds or notes shall be subject to registration as to principal and may be sold from time to time by the treasurer under the direction of the selectmen at public or private sale, with or without notice

or advertisement, but at not less than par and accrued interest. Premiums received on said bonds or notes less the cost of preparing, issuing and marketing them shall be applied to the payment of the principal of the first bonds or notes so to mature. All other particulars as to form, issuance and sale of said bonds or notes, and the rate of interest, payable semi-annually, which they shall bear, shall be determined by the treasurer with the approval of the selectmen. For the purpose of payment of principal and interest on said bonds or notes as they become due, there shall be raised by taxation each year a sum which, with the income derived from water rates and charges, shall be sufficient to pay said principal and interest coming due in that year, until all of said bonds or notes have been paid. Reference herein to "selectmen" shall mean all or a majority of them.

This vote passes unanimously.

The meeting was dissolved at 8.25 P. M.

VACANCIES

In Middlesex County, A Clerk of the Courts (to fill vacancy).

The polls will be open from 2 P. M. to 8 P. M.

Hereof fail not and make return of this warrant with your doings thereon at the time and place of said meeting.

Given under our hands this first day of September, A. D. 1936.

HERBERT E. TYLER,

B. LORING YOUNG,

BRENTON H. DICKSON, Jr.

Selectmen of Weston.

Pursuant to the within warrant I have notified and warned the inhabitants of the Town of Weston according to order.

MAURICE L. UPHAM,

Constable.

Primaries, September 15, 1936

Pursuant to the foregoing warrant, the inhabitants of the town of Weston, duly qualified to vote in elections, met in the Lower Town Hall in said town on Tuesday, the fifteenth day of September, in the year of our Lord one thousand nine hundred and thirty-six and were called to order at 2 o'clock P. M. by Herbert E. Tyler, Presiding Election

Officer, who read the warrant calling said meeting and the return thereon of the officer who served the same upon the inhabitants.

In pursuance of and in conformity with the laws of this Commonwealth in relation to elections, the Lower Town Hall had been fitted up as a polling place, a space railed off, and twenty-four shelves or compartments provided for the use and convenience of the voters to examine and mark their ballots. Before the opening of the polls the package of cards of instructions, specimen ballots, etc., furnished by the Commonwealth had been opened and the same posted in accordance with the provisions of the General Laws relating thereto.

Alice E. Jones and John A. Cain, Jr., whom the Selectmen had previously appointed ballot clerks were sworn by the Town Clerk to the faithful performance of their duties. John Harte and Grace H. Spaulding, Election Officers, were sworn by the Town Clerk to the faithful performance of their duties.

The ballot-box was opened publicly by the Election Officer who ascertained by personal examination and publicly showed that the same was empty. The register of the box was set at zero (0) and the box immediately thereafter locked and the key of the box was delivered to the Presiding Election Officer.

Two packages supplied by the Secretary of the Commonwealth, marked "Town of Weston" 1685 Republican Ballots, 324 Democratic Ballots were delivered to the Ballot Clerks by the Town Clerk who took their receipt therefor. The Ballot Clerks, who were provided with a list of the registered voters of the town stationed themselves at the entrance to the polling place. The polls were then declared open for the reception of votes.

Upon four occasions while the polls were open the ballot box was opened and ballots taken therefrom for counting, it being deemed advisable so to do in the unanimous judgment of the Presiding Election officer and the Town Clerk. The time of thus opening the ballot box and the number of ballots taken therefrom were as follows:

6.15 P. M.	100 ballots
6.30 P. M.	50 ballots
7.10 P. M.	150 ballots
7.55 P. M.	150 ballots

At 8 o'clock P. M. the polls were declared closed.

The number of names checked on the voting lists used by the Ballot Clerks and the Election Officers in charge of the reception of ballots was 761. The register on the ballot-box read 761 and 761 ballots were taken therefrom, there being 697 Republican ballots and 64 Democratic ballots.

The ballots were sorted, counted and recorded and declaration thereof made in open meeting by the Presiding Election Officer, and were for the following state and county officers, viz:—

While the polls were open, the ballot-box and the voting list used in connection therewith were in charge of John Harte and Grace H. Spaulding.

In canvassing and counting the votes the regular election officers were assisted by Marie L. Tilton, Cora S. Ripley, Alfred Benotti, Jeremiah Sliney, J. William Murray, George H. Welcome, John C. Waters, Jr., John Lawless, Jr., Mary Cassidy, Mary A. McMahon, Mae E. Vittum, Elizabeth Van Huysen, Anna H. Smith, John J. Cassidy, Jr., Yvonne Jacques, Richard P. Burgess, Warren E. Vittum, Harrison S. Ripley, Marie Lawless, Bernice M. Reed and Margaret E. Berry who had previously been appointed Tellers and sworn by the Town Clerk to the faithful performance of their duties.

The business of the meeting being finished, the returns were filled up, signed by the Selectmen, countersigned by the Town Clerk and delivered to the Town Clerk to be forwarded to their several places of destination.

All ballots cast at the election were enclosed in envelopes and the same properly sealed and endorsed. All unused ballots were enclosed in boxes and the same sealed. The voting lists used in connection with the distribution of ballots and the deposit thereof in the ballot box were certified by the officers who had them in charge and were enclosed in envelopes and the same sealed and endorsed. The sealed and endorsed envelopes above mentioned, the unused ballots, together with the ballot box, the keys thereto and the seal were forthwith delivered to the Town Clerk by the Presiding Election Officer, who in this and all matters connected with the election followed and caused to be followed the "Laws relating to Elections" as prepared by the Secretary of the Commonwealth.

At 11.55 P. M. the meeting was declared dissolved by the Presiding Election Officer.

BRENTON H. DICKSON, JR.,
Town Clerk of Weston.

Concord, November 13, 1936.

TO CITY AND TOWN CLERKS AND ELECTION COMMISSIONERS:

WHEREAS—petitions have been filed with the State Secretary, in the interest of Leverett Saltonstall of Newton, Republican candidate for the office of Lieutenant Governor, for state-wide recounts of ballots cast at the election held November 3, 1936, for the office of Lieutenant Governor, under the provisions of General Laws, chapter 54, section 135, as amended; and

WHEREAS—after the official tabulation of votes by the Governor and Council it appears that the difference in the number of votes cast for the two leading candidates for said office of Lieutenant Governor is less than one per cent of the total number of votes cast for such office;

THEREFORE it becomes my duty to, and I do hereby, order the clerk of each city and town of the Commonwealth to transmit forthwith, and said clerk shall so transmit, the envelopes containing the ballots, sealed, to the registrars of the city or town who shall, without unnecessary delay,

open the envelopes, recount the ballots cast for said office and determine the questions raised.

Very truly yours,

F. W. COOK,
Secretary.

December 4, 1936.
